SUPERVISION REQUIRMENTS FOR EXTRA CURRICULAR ACTIVITIES 519

Rationale

School Sports SS ompetitive Policies and Procedures Section and the greater Victoria unior Secondary School thletic ssociation

V SS ower Vancouver sland Secondary School thletic ssociation V SS onstitution and Regulation Section X states that school teams must be accompanied by a teacher coach teacher sponsor administrator or responsible adult approved by the Principal While this affects St ndrew s Regional igh School directly there are sound reasons for applying the same criteria to elementary schools

Policy

The oard of irectors recognizes the value of organized athletic competition between schools—ach—S School will endeavor to provide all school teams with either a teacher coach or teacher sponsor—fit is not possible to have a school team s—coached or sponsored by a teacher the Principal may approve a responsible adult who is not a teacher to coach a school team s—in accordance with the attendant regulation

Regulation

The purpose of this regulation is to provide guidelines and a process in the event that it is necessary to have a school team coached by a volunteer from the community ach ocal School ouncil understands that community coaches are integral to the school sport system and are necessary to ensure opportunities for student athletes

t is recommended that the prospective community coach have completed a minimum of evel ne Theory of the ational oaching ertification Program

The Principal and athletic director applies only to those schools who have athletic directors will meet with each prospective community coach to discuss the school athletic policy program goals and objectives as well as the SS oach s ode of onduct and procedures

The Principal will ensure that a teacher or staff member employed by S V will travel with a school team on any trip that requires an overnight stay

The Principal must request and check at least two references for each prospective community coach and ensure completion of a riminal Record Search prior to commencing any coaching activity

The Principal will review the community coach s suitability with the thletic irector if applicable at least twice during the season of play

f the Principal deems the community coach not to be suitable the coach will
